PRODUCT OVERVIEW

Polyethylene (PE) pipes offer durable and flexible solutions for a wide range of applications. Polyethylene piping is resistant to corrosion in all ground conditions and its flexibility allows it to withstand ground movements.

FIREPLUMB offer a RG to PE solution that eliminates the need for a coupling, ensuring a smooth transition in your piping system.

Material:

PE 100 SDR 11/Steel API 5L B Gr. coated PPA 571

Working Pressure:

PN16

Approvals:
